

## Product Handling Information Sheet

### Maywoflamm<sup>®</sup> NFPA RC

#### 1. Company

Name/Address	<b>Röchling Industrial Allgäu GmbH</b> Hinter den Gärten 20 • 87730 Bad Grönenbach/Germany (DE) • Tel. +49 8334 9857-0 info@roechling-maywo.de • www.roechling.com/industrial/groenebach
--------------	--

#### 2. Product details

Product/Article	Engineering semi-finished product
Abbreviated terms	PC / ABS
Classification according to REACH	Article
Notes	This product is a post-industrial recycled article. See chapter 11.

#### 3. Product characteristics

Density	1,35
---------	------

#### 4. Danger warnings

#### 5. Handling and Storage

#### 6. Transport

---

### 7. Fire – fighting measures

---

---

### 8. Removal

---

Recyclability	Check possibility of recycling.
---------------	---------------------------------

---

---

### 9. Marking and Guidelines

---

---

### 10. Information about REACH

---

Information about Reach

According to EC directive 1907/2006/EC (REACH), Article 3, no.3 our products are clearly defined as articles, exempt from registration. The EU regulation about chemicals no. 1907/2006 (REACH), which came into force 01 st of June 2007, prescribes Material Safety Data Sheets only for dangerous substances and preparations. According to REACH we are manufacturing articles and, therefore, not required to issue safety sheets.

---

---

### 11. Other Information

---

Other Information

Post-industrial recycled material is material that is generated during the manufacturing as waste for recycling process (see waste) and can only be reused through recycling. This does not mean a material that can be used again directly in the same process without recycling.
